

# MISSION STATEMENT

The following is Emmanuel H Anthony's mission statement for all areas of human life.

I, Emmanuel Anthony, hereby declare before myself, others and the divine intelligence (Grand Organized Design) that my primary purpose in life is to live an inspiring life daily, share Quantum Equilibrium™, teachings and technology of which guarantee humans to experience love, gratitude and presence regardless of their age, race or creed.

On a daily basis I am blessed to spend countless hours reading, writing, researching, teaching, healing, traveling globally and organizing systems/programs that shift paradigms in human potential and awareness. My companies and educational foundations/platforms transcend the consensus reality form of thinking in order to expand human consciousness to deeper realms of truth. In doing so assisting the human race in understanding the true Grand Organized Design and how to apply universal laws directly to their highest value/mission on earth.

My body of work will leave an immortal legacy on planet earth, one of which will hold knowledge/universal principles and truths that will stand the test of time. I am abundant in mindset and have been said by billions to be the smartest man on planet earth in my knowledge of all seven areas of life and applied sciences.

I travel internationally/interstate weekly and connect with a universal audience collecting vast amounts of knowledge while also assisting, empowering and educating large groups in the billions weekly to maximize their potential and open their hearts/minds to the truths of the universe, As well as their roles as celestial beings. My family travels with me on this mission as they enjoy exploring their highest values and living a very privileged and lavish lifestyle.

I am an amazing manager of millions and have read 100,000+ books, I fill my mind with over 1,500 books yearly in the chosen area's I select to master, I have a genius mind and that mind is capable of retaining all that I read/study. I appreciate and it is high in my value to learn the vast amount of knowledge that planet earth has to offer in many forms. My principles allow the average person to be able to gain an understanding of the tools, resources and mindset necessary to achieve life mastery in all seven area's of their life.

I am truly loving and grateful everyday for my loved ones (people I meet and have met under the alias of friends, family, large amount of staff). I travel the world and step foot in 100+ countries sharing my message in any way appropriate on my divine mission of love and gratitude. I will travel any distance and do whatever it takes to share my message of love and gratitude in this life time and beyond.

**If you believe you can assist in accomplishing this life mission, we would love to hear from you.**
